Classic Colours: This colour range offers a wide choice of traditional Swarovski crystal colours.
 Exclusive Colours: This colour range is offered exclusively by Swarovski.

The standard assortment of colours and effects may vary per product group.

Slight changes in shades are unavoidable. Colours may vary according to cut and shape.

The plating resistance of effects is tested according to Swarovski's plating guidelines (WWW.SWAROVSKI-ELEMENTS.COM/BUSINESS). Customers are advised to carry out their own tests if customers' plating parameters diverge from Swarovski plating guidelines.

- * Crystals are not resistant to plating and similar processing.
- ** Crystals are resistant to plating only if they are foiled.
- *** Effects available as special productions only.
